## Lana's Lines

I hope you are all well and have been enjoying some quieter relaxing times. There are lots of bugs going around and hopefully those of you who have been unwell are feeling better.

Keep looking after yourselves and taking extra care, especially as this colder weather takes hold. ❄️

I am hoping to be back next week as my winter bugs continue to disappear 😊

It will be nice to be together again and have some fun and laughter 😄

Please remember that our Rules Ladies will be spending some time with us next week. 👍 Reviewing and amending our rules is a very time consuming exercise and we are grateful that we have members amongst us who are committed to take on this important role. Thanks **Lesley** and **Nancy** and **Shirley** for your efforts. 🙌

We will look at **Come Fly With Me**, **One Fine Day**, **Sweet Georgia Brown** and **Poi E** next week.

Please look over **Aint No Mountain** and **Hooked** over the coming weeks. On the last Monday of each month - starting this month - we will run 2 songs in order to record and pass them, so we can keep our regular rep. at sing-out standard. Showmanship/Choreo will also be reviewed. The songs will be decided at our monthly Music Team meeting. There won't necessarily be lots of time spent at rehearsal on these songs, so please be prepared to review them in your own time.

See you all next week I hope 🙌

Lana x

- **MOVIE** – We are looking into trying to arrange a feel good winter movie, *Mamma Mia! Here We Go Again* - which will be coming out in mid-July. I can't think of a better "feel good" movie than that, can you?  
: **Question:** Thoughts are hovering over maybe a matinee session during a weekend as it the winter time (subject to theatre availability of course) - any thoughts from our movie goers on that prospect???

- This week we will be putting up the subcommittee lists as in previous years. Please look through the lists and pop your name on the category or categories that you think you can help with. We need both doers and thinkers there's something for everyone - and every little bit helps us keep the jobs small, easily & quickly accomplished - "many hands" as they say. If you don't put your name on a list, it will be added automatically to a list that needs helpers so, if you want a choice, get your name on 😊

- **Jacqui Robb** has made a decision to leave our fabulous chorus. I know it's been a tough decision, Jacqui, we will miss you hugely but know that you have a lot to juggle with your new business ventures. Please keep in touch and come visit us anytime you like.

**Please dress warmly** it can be a tad chilly in the hall. If you have any spare fruit from your trees I'm sure members would be happy to eat them for you and help keep those cold and sneezy bugs away.

Warm harmony hugs, **Pippa xx**
